

Directive

TITLE: Embryo Transfer
NUMBER: 22-23

The Nebraska Racing and Gaming Commission has adopted by directive the following NQHRA Embryo Transfer Guidelines.

NQHRA Embryo Transfer Guidelines

A Quarter Horse foaled by a mare that is not its genetic dam but transferred to her by embryo/oocyte transfer technique shall be eligible for Nebraska Bred registration if the following conditions are met:

- All requirements for an embryo transfer registration as defined by the American Quarter Horse Association national breed registry are fulfilled.
- A mare must have been continuously in the State of Nebraska for 90 days prior to foaling except that this period may be reduced in days by the following situation:

Mares in foal purchased at a nationally recognized thoroughbred or quarter horse blood stock sale, the name and pedigree of the mare being listed in the sale catalog, and which is brought into this state and remains in this state 30 days immediately prior to foaling.

Mares purchased at private treaty must meet the 90-day requirement.

- The Recipient mare owner must file an Embryo Transfer Recipient Mare registration form with the NQHRA registrar prior to foaling.
- The Recipient mare and foal must remain continuously in Nebraska after foaling for a minimum period of 30 days and be inspected by a NQHRA designated representative prior to leaving the state.
